HOW CAN WE UNDERSTAND OUR IMPERMANENCE ?

GURDJIEFF MOVEMENTS

with MARGIT MARTINU piano COEN VAN HOBOKEN

“The sole means now of saving the beings of the planet Earth would be to impiant in their presence a new organ, an organ like kundabuffer, but this time having such properties that every one of these unfortunates, during the process of his existence, should costantly sense and be aware of the inevitability of his own death, as well as of the death of everyone upon whom his eyes, or attention rest”.
